Fuelled by Greenergy

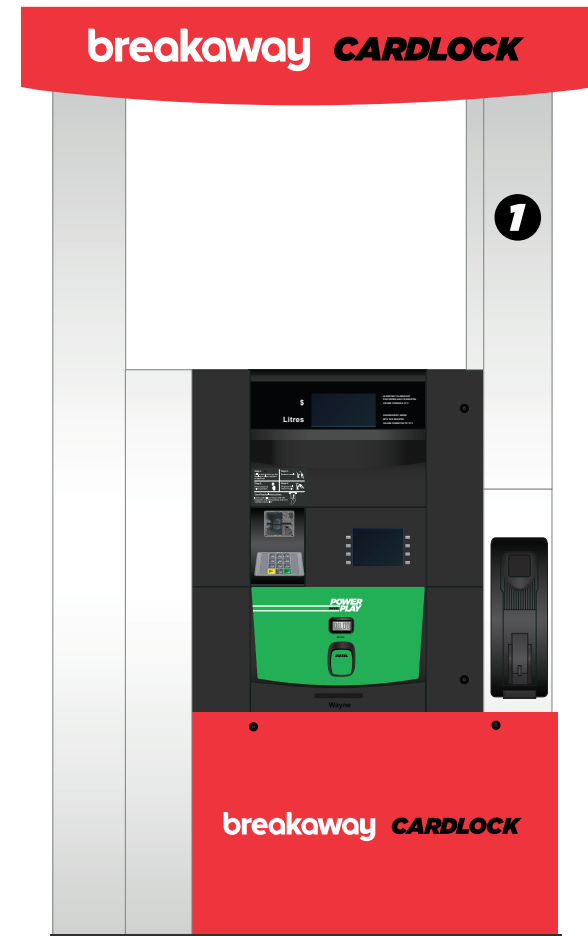

breakaway **CARDLOCK**

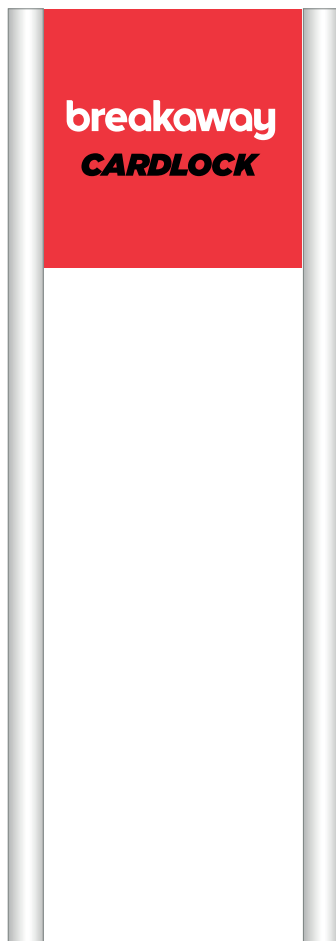

Created and fuelled by Greenergy Fuels Canada

Breakaway Cardlock is a new commercial branded offering for your business, backed by Greenergy Fuels Canada.

Greenergy Fuels Canada entered the Canadian market in 2013 as an originator and supplier of on-road fuels. Greenergy has been able to successfully grow its business by continuing to invest in new infrastructure, allowing to offer competitive pricing to customers, and providing great customer service.

Our unique and innovative supply chain concept has allowed us to establish ourselves as a low-cost and reliable supplier.

Choose Breakaway Cardlock

- Dedicated customer support team
- Competitive fuel pricing benchmarked to posted racks
- Guaranteed quality fuel
- Reliable supply
- Flexible technology platforms with multiple card options
- Leading edge payment processing rates
- Site flow optimization

Our fuel

We stringently test all our fuel prior to bringing it to market. Our fuel meets or exceeds the Canadian General Standards Board specifications.

Supply and trucking

Greenergy has significant trucking expertise locally in Canada. We understand the importance and effect fuel supply and trucking reliability can have on your business. That's why we strive to make sure our customers are always supplied.

- Product availability in 2022: 99%
- Average load time in 2022: 28:58 mins

We guarantee you are never waiting on fuel or a delivery.
